

Central Dauphin High School News

2019 - 2020

Photo Slideshow

The image shows the exterior of Central Dauphin High School. A large, semi-transparent watermark with the letters 'SDHS' is overlaid across the center of the photo. In the foreground, there is a landscaped area with tall grasses and red flowers. A paved walkway leads towards the school building. The building has a sign that reads 'CENTRAL DAUPHIN HIGH SCHOOL' and 'RAMS' with a logo. The sky is blue with some clouds.

Jason Kline CENTRAL DAUPHIN HIGH SCHOOL

Parents: Ross and Jane Kline

In his words: "One of the biggest ways that I have made an impact on my school and community is through athletics. I have participated on my high school's soccer and tennis teams for four years each. On the soccer team, I have played varsity for three years, and for tennis, I have played varsity for four years. Also, on the tennis team, I have competed in the top singles position and the district doubles team for the entirety of my participation. As a result of my commitment and success on both teams, I was selected as a captain for both during my senior year. One responsibility as a captain was to represent my team in the community. My actions served as an example for my teammates, and my work ethic inside and outside of the classroom was a representation of my entire team's dedication to excellence. ... The lessons that I have learned from participating in athletics are invaluable, and I have been able to translate them to other ways of engaging in the community."

In their words: "Jason is a talented, conscientious, relentless and respectful young adult. ... Jason is an exemplary student and athlete. In fact, he is one of the best and

brightest young people I have ever had the pleasure of teaching or coaching. But, to me, Jason is much more than the impressive statistics, test scores and medals. ... Jason is a young adult that, despite all that he has going on, is patient and caring enough to make time for my son, who greatly admires him. That's the greatest compliment I can give Jason: he is the kind of person my son looks up to, and the type of individual I wish my son to become."
Michael Bricker, teacher and tennis coach, Central Dauphin High School

Honors: National Merit Scholarship Commended Student, Hugh O'Brian Youth Leadership Workshop, AP Scholar with distinction, National Honor Society.

Activities: Soccer team co-captain, tennis team captain, FBLA four-time State Leadership Conference qualifier, co-founder of Ping Pong club, pick-up volleyball, Central Dauphin Nutripacks Program volunteer, worked at Colonial Golf and Tennis Club.

Mentor: Michael Bricker, tennis coach

Plans: Will attend the College of William and Mary, major is undecided.
