In case you missed it, the CD Rams Baseball Team made a presentation to CDHS Four Diamonds yesterday. Through the efforts of the players and our booster club, we were able to donate \$1000 to Four Diamonds from our first annual Four Diamonds on the Diamond baseball classic! We have such a fantastic community of hard working students and athletes here who never hesitate to make a difference for a whole variety of different causes and they should be recognized whenever possible. Teachers like you all play an important role in instilling that mindset in our students. Keep up the good work CD!

The Rams Baseball Team stayed hot with their refuse to lose mentality on Friday and Saturday winning their third and fourth games in a row to improve to 7 and 6. Garret foster threw a 2 hitter on Friday against state college to earn the win on the mound while seniors Nate Horst, Christian fox Klein and Mario Cattabiani orchestrated a 2 run 7th inning to take the lead over the little lions, 3-2. On Saturday, the never say quit rams again scored 2 runs in the bottom of the 7th to beat Hazleton 3-2. Senior JT Fredericks drew a bases loaded hit by pitch to bring in Ben Snyder with the tying run and freshman Troy Schreffler walked the rams off with the game winning single up the middle to score senior Jarrett Heisey. Fox Klein and Dalton Oates combined to throw a 5 hit gem with Oates picking up the W. This team is the perfect example that you should never give up on anything you do in life! The rams return to action tomorrow against conference foe, Mifflin county.

CD Baseball News

Since baseball is a team sport, CDHS Baseball believes the team is most important. It must be "WE before Me" to help CD baseball reach its full potential. In other words T E A M - Together Everyone Achieves More. The varsity and junior varsity teams will consist of 32-36 players. However, only nine can start and play on the field at the same time for a team. Therefore, all players will accept with a positive attitude whatever role they are assigned to help the program achieve its maximum potential.
