The Rams baseball season came to an end Friday night In the District 3 quarterfinals. The Rams lost 1 to nothing to the #1 seed Governor Mifflin in 15 Innings, which tied the District 3 record for longest game ever. The entire team deserves recognition for the effort they gave. Jake Deibert pitched innings and gave up only 2 hits and 0 runs. Dalton Oates, on short rest, threw 8 innings and gave up only 6 hits. It was arguably one of the best pitching performances in CD history by those 2. Bryson Allen made several run saving plays at third base while Center fielder Ben Snyder threw out the potential game winning runner at home in the 8th inning. Catcher Luke McNamara caught all 15 Innings including 162 pitches. The Rams finished 13 and 8 on the season, led by a great group of seniors. Congratulations guys. You guys will be missed.

The Rams Baseball Team locked down a spot in the PIAA District 3 championships yesterday by beating Red Land 1 nothing. In the first inning great baserunning by Anthony Dorris and an RBI sac fly by Luke McNamara that scored dorris was all the offense the Rams would need. From there, Garrett Foster pitched an absolute gem and was helped by great defense from the entire team including great catches by outfielders JJ Thrush and Troy Schreffler. Carson Beleski came on in the 7th to pitch out of a jam, and struck out the last 2 batters to earn the save. The win was their 4th straight moves the Rams record to 11 and 7. Come out to Wenger Field tonight at 7pm to support the Rams in their annual 4 diamonds on the Diamond game against East high. JV plays at 4.

## CD Baseball News

Since baseball is a team sport, CDHS Baseball believes the team is most important. It must be "WE before Me" to help CD baseball reach its full potential. In other words T E A M - Together Everyone Achieves More. The varsity and junior varsity teams will consist of 32-36 players. However, only nine can start and play on the field at the same time for a team. Therefore, all players will accept with a positive attitude whatever role they are assigned to help the program achieve its maximum potential.
