

GUEST COACHES

We are blessed at Central Dauphin to have outstanding staff and faculty members who care so much about our players. They demonstrate this in so many ways each year. We believe it is important to strengthen the ties between our football program and the many outstanding faculty and staff members in our building. One such way that we have attempted to do this is through our Guest Coach Program. Starting in 2007, we have had a Guest Coach for each of our home football games. In the 10 years since the inception of this program we have had close to 50 different faculty and staff members stand on the sidelines along with the players and coaches. However, their participation went far beyond Friday nights. The vast majority of them attended many of the practices and, in some cases, the meetings throughout the week. Basically, they enjoyed an “all access pass” to be part of the CD Rams Football program.

Not only have all our Guest Coaches thoroughly enjoyed their experience of being a full-fledge member of Ram Football for week, but they also developed a strong appreciation for the level of commitment demonstrated by the players and coaches. Our players certainly enjoyed seeing these staff and faculty members become part of their lives in such a way. Unquestionably, a greater degree of mutual respect was established through the course of these weeks.

Below is the list of Guest Coaches in 2016:
