

## RAMS IN THE POST-SEASON

In 1996 the Rams ushered in a new era. Under skipper Ron Davis, The Central Dauphin football team qualified for the District 3 AAAA playoffs for the first time in school history. From that year to the present, the Rams have been one of the winningest football programs in the area. As part of this, the Rams have also participated in many post-season games – some of which have become legendary. In fact, Central Dauphin has made the playoff tournament in 18 of the last 20 seasons. This includes 12 consecutive District 3 AAAA playoff appearances (2004-2015), something that no other AAAA team in District 3 has ever accomplished.

Below is a list of all the post-season games in Central Dauphin football history (All games were in the AAAA classification until 2016 when CD joined the new 6A classification).
