

2002 - 2003

2002 CD Football Season

The 2002 Central Dauphin Rams Squad entered the season with lofty expectations and all the pressure that goes with being ranked #1 in the state. And they did not disappoint. With an undefeated regular season - which included a thrilling last-second victory over McDevitt - and an unforgettable victory over Wilson in the district championship, the 2002 Rams lived up to their billing. They were also known for their great individual talent at many positions, including Big 33 selections Brent Wise and Ardon Bransford. Under Coach George Chaump, the high flying Rams offense utilized that talent and put up some impressive numbers.
