Special thanks also go out to Boosters Kelli S. for organizing & Jill T. for designing everything and having it printed. From the bottom of our hearts, thank you Boosters & we Red heart you Seniors!

Senior in the Spotlight

Maddy Bassoff

Attack/Midfield - #7

Maddy's Favorite Lax Memory:
First day of practice when Cassi and I were doing the draw control drills with Steph and I fell over while trying to cut for the ball.

Maddy's Dream Job:
A college lacrosse coach! I love the game of lacrosse so much and want to coach at the highest level, while impacting others in a positive way through lacrosse.

Maddy's Favorite Quote:

Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence. -Hellen Keller

Feelings of Gratitude:

I want to say thank you to Coach Steph. She has really pushed me this season to be my best, and has become someone that I am very close with in and outside of lacrosse. I'm very thankful for the way that she has influenced and encouraged me into the person I am today in such a short amount of time.

Maddy's Advice to Her Younger Teammates:
Always be kind to your teammates. No matter what! It'll make your time being on the team much more enjoyable. And, don't involve yourself in gossip/drama because it never ends well.

Parting Wisdom:

Keep practicing wall ball over the summer and in the off season and use your left hand even if you don't want to!!!! I'll be back for some games next spring :)

Maddy's Favorite HS Memory:

This season as a whole, honestly. My first year at CD was something that I was originally very nervous about, but everyone has been so welcoming and loving towards me, which I wasn't used to at my old school. If I could stay another year at CD so that we could have a full season together, I 110% would!!!!

Lily Woolf

Attack #23

Feelings of Gratitude:
I'd like to thank my Dad because he always pushes me to do my best even when I feel like I don't have the effort to. He also gave me the idea to play lacrosse again my senior year and it was such a great decision to join the team again.

3 Things Lil' Can't Live Without:
1. Friends
2. Her Phone
3. Large Hoodies

I've always thought it would be super fun to be a celebrity stylist. I love fashion and it would be cool to work with designers to pick out outfits for celebrities to wear for events.

Advice to younger players:
Always keep your head up and don't let anything from the outside world get in the way when you're on the field.

Favorite Memory:
Playing Mechanicsburg Sophomore year. It was a close, aggressive game and super hot outside but we worked hard and won.

Lil's Hype Song:
No Money by Galantis

notes

To my teammates and coaches, thank you for all of the memories and experiences you have given me the past few years. I will never forget cdglax and I am so sad that we didn't get the season we had hoped for, but I know we all would have done big things on the field as well as off. Underclassmen, kill it next season. Be proud to be on the team, pat each other on the back, and don't take anything for granted

Favorite HS Memory:

TV studio Senior year- I got to spend first period laughing with my best friends every day.
