As the high school golf regular season races to a close, the Central Dauphin Rams find themselves in a very good spot. Their Monday win in a Keystone Division match at Colonial Golf & Tennis Club put the Rams in command of a division title. Not to mention an undefeated regular season, too. A 14-shot win over runner-up Hershey improved Central Dauphin to a perfect 20-0 this fall. That gives the Rams plenty of breathing room over second place Lower Dauphin (15-5), who posted a third place finish Monday with a 399 total. Leading the way for CD was, well, almost the entire team. Senior Alex Raptapolis posted the low team score with a 74, but an eye-opening five additional players broke 80 — Allison Cooper (76), Austin Mertz (77), Aaron Gress (77), Kyle Walsh (77) and Collin Roschella (79). The Ram Golf team plays today at TPC Manada. This will be your last time to see the team play locally. Come see Ram Golf team compete today at Manada.
