2014 Central Dauphin Golf Team Banquet Recognizing the Achievements of the

Introduction

In 1957, the Central Dauphin High school first sponsored and fielded the sport of golf. Since then, the Central Dauphin golf team has won:

- 17 boys league titles
- 4 girls league titles
- 4 girls district titles
- 9 individual league titles
- 7 individual district titles
- 12 PIAA state championship participants

In the 57 years the golf team has been existence, Central Dauphin golfers have left an impression in the Central Penn/Mid-Penn Golf League. We look forward to continuing this tradition and thank you for your support.

Senior Bios

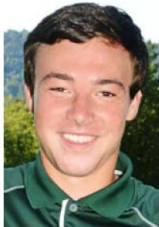

Allison Cooper

Alli is the daughter of Rob and Valerie Cooper. She has been an integral part of the girls and boys golf team over the last four years winning four individual Mid Penn Championships and two District 3 titles. Following high school, Alli plans on attending Limestone College in South Carolina, where she will play on their women's golf team and major in athletic training. During her playing career for CD, the moments Alli remembers most are shooting 64 at Mayapple and beating the reigning State Champion, Brynn Walker, by birding the 18th hole at the 2013 Spring-Ford Invitational to shoot 68. She credits her brother and dad as her main golf influences because her brother started playing before her at age 3 and her dad has taught her everything she knows about the game. She hopes her teammates will remember her selection of music in van rides to and from matches the most and advises them never to give up, especially when you are playing poorly.

Favorite Quote: "As you walk down the fairway of life you must smell the roses, for you only get to play one round." - Ben Hogan

David Sinisi

David is the son of Carolyn and David Sinisi. He has played on the CD Golf team since his freshman year and lettered the last three years. Next year David plans on going to college to pursue a degree in Professional Golf Management. The moments David remembers most about his high school career is shooting a 75 during his senior year at Districts and the van rides that were often times interesting. His biggest inspiration for golf is his father because he has always supported him and did everything he could to help him get better. David would like his teammates to remember his passion for the game and that he never gave up on the course. The piece of advice David would like to pass on to his teammates is that golf is 90% mental. The one thing usually holding you back is your own head. Once you get passed that, the game becomes easy.

Favorite Quote: "For sheer pride of being the best, that's why we do this" - Greatest Game Ever Played

Aidan Henken

Aidan is the son of Brad and Angela Henken. He began playing golf at the age of 16. He has been a member of the golf team for two years, lettering each year. After graduating, he plans on attending college and majoring in Biology. Aidan's favorite CD golf memory is chipping in for birdie during the match play match against Peters Twp. Due to his believing in him, Aidan considers John McNair is biggest golf inspiration. Aidan hopes that his teammates remember that he cares deeply for them all and hopes they reach their goals and potential. His advice for his teammates is to work hard and always give 110% no matter what you are doing. Don't let someone tell you you can't.

Favorite Quote: "It's not the size of the dog in the fight; it's the size of the fight in the dog."

Keely McManamon

Keely is the daughter of Scott and Amy McManamon. She began playing golf at the age of 15. She has been a member of the golf team for three years, lettering one year. Keely plans to study meteorology and French at Penn State. Watch for her on the news someday! Her favorite golf memories are the long and funny rides in the girls golf van and spending a beautiful day with the girls on the golf course. Her biggest inspirations are her dad and grandpa. They got her into the sport, practiced with her in all weather, and pushed her to do her best in every match. Keely would like her teammates to remember her positivity. She always wanted to brighten their day and hopes they know she is always there for them no matter what. Their friendship goes beyond the golf course. Her advice is to never let a bad shot influence how your whole round goes. Swear under your breath, and move on. There's always another hole to make up for it.

Favorite Quote: "Use your smile to change the world, but don't let the world change your smile."

Michaela Caruso

Michaela is the daughter of Gina and Patrick Recce. She began playing golf at the age of 13. She has been a member of the golf team for four years, lettering three of them. Michaela plans to attend college and major in biomedical engineering, eventually pursuing her MD in dermatology. Her favorite golf memories are playing at states in 2013 and the overnight trips. Michaela considers her father her biggest golf inspiration because he taught her everything she knows about the game and has helped her all along the way. She would like to thank her father for taking the time to teach her, even when she was discouraged and felt like giving up. Michaela hopes her teammates know how much they have impacted her life. She would like them to remember that in golf, just like in life, it's always about the next shot. Don't get frustrated, don't throw clubs, and don't give up! Keep and level head, plan out your next shot and then just take it because if you never take the shot.

Favorite Quote: "Every great dream begins with a dreamer. Always remember you have within yourself the strength, the patience, and the passion to reach for the stars to change the world" -Harriet Tubman

Claire Remillard

Claire is an honorary member of the CD Girls Team as she is a student at CD East and a member of their golf team. Claire is the daughter of Denise and Steve Remillard. She has been playing golf since her sophomore year and has lettered all three years she's been a part of the CD East golf team. She credits Coach Fackler and Coach Sierer as her biggest golf inspirations because they have passed on their love and appreciation for golf to so many people including her. She would like her teammates to remember how much her golf game improved in a short amount of time. Her advice to her fellow teammates is believe it or not, people play golf for fun. It's not worth getting horribly upset over.

Favorite Quote: "Do the best you can until you know better. Then when you know better, do better" - Maya Angelou

Structural Steel and Precast Erectors

In March of 2003 Stephen C. Burkholder left his place of employment to create a business of his own, he took his years of experience in steel and precast construction and his devotion to safety, quality, and customer service to create S&R Enterprises, a company who's core values would be centered around these ideals. Steve chose S&R head quarters to be located in Central Pennsylvania and aimed for construction in the mid-Atlantic region, he wasn't looking to be the biggest erector in the area but he wanted S&R Enterprises to be revered as the best in safety, quality and customer service. To do this he would employ like minded people to help his company grow, ten years later S&R Enterprises has expanded beyond the Mid-Atlantic region to become an international construction company that can erect an array of technical structures from train stations, to conference centers, as well as utility and office buildings always striving to be the best in safety, quality, and customer service.

BRESCIA ORTHOPEDICS INC.

Brescia Orthopedics, Inc. has been servicing the central Pennsylvania area since 2004. After extensive research and meticulous market analysis, Frank X. Brescia III saw the need for an orthopedic implant specific company that was customer oriented and could exist as an independent sales organization. The company was developed to create an orthopedic distributorship that focused on cutting-edge products and first-rate service. It now provides the orthopedic community with market-leading technology and superior service.

Brescia Orthopedics, Inc. offers a full array of orthopedic spine and joint implants. Initially covering just the tri-state-Pennsylvania area, the company now services Maryland, New Jersey and northern Florida. reasonable rates.

MT Weatherization is a full service weatherization company working in commercial and residential buildings. We have proudly completed thousands of residential, commercial and utility based weatherization projects.

We start each job with a proven professional energy audit. We then take the results and run an analysis which enables us to design an energy blueprint of the building. With this blueprint we are able to determine the priorities which will make sense financially to reduce the energy use and make the building more comfortable. It is with the experience of trained building scientists and an extensive background in construction that MT Weatherization is able to be the leaders in this growing field.

MT Weatherization is eager to develop new relationships with future partners and continue to strengthen relationships with existing partners.

CD Girls Golf News

This past weekend, the Central Dauphin Golf Team competed in the District 3 Championship at Briarwood in York, PA. Senior Allison Cooper won her 2nd championship by outlasting Victoria Ross from Spring Grove by chipping in for birdie on the 5th playoff hole. Teammate Alexis Hartwick shot a back 9 37 to shoot 80 and finish 9th. Alli's brother, Timmy Cooper finished 6th in the boys division which is the highest finish for a boy in this tournament since 2007. Both Alli and Timmy move on to the Regional Tournament next Tuesday at Golden Oaks.
