On March 25th the CD Rams Football team held a Bench-A-Thon fundraiser. The Rams Club is pleased to announce that the team raised 124% of their original goal! We would like to thank all of our generous donors for their support and also recognize some players for their individual fundraising efforts.

Our 2024 overall Bench-A-Thon Champion is Gavin Bonanno who raised a total of \$732.50!

Our 2024 per-pound Bench-A-Thon Champion is Peyton Wylie who raised \$472.50 with his bench press, which was also a personal best!

We also recognized the highest fundraiser for each class. Those players are as follows:

Class of 2025 – Drew Kurtz

Class of 2026 – Gavin Bonanno

Class of 2027 – Dakota Corbitt

Finally, the Class of 2025 raised the most overall per participating player by raising an average of \$226.67 per participating player.

Congratulations to all of the players who participated!

# NEXT LEVEL

Once again this spring, we saw a LARGE number of College Coaches visit CDHS. In the course of these visits many coaches were able to either see our players or watch them in ACTION. In all cases, they were able to gather information on OUR GUYS. Because we are such a HEAVILY RECRUITED school, our players always have a great opportunity to play at the NEXT LEVEL. In fact, this fall alone we are expected to have 25 former RAMS on college rosters with 6 of them in D1 PROGRAMS. Additionally, it's looking like the CLASS OF 2024 will be adding another dozens players or so to that list.

- 75 Visits to CDHS from College Coaches– 45 D1 Schools (26 FCS, 19 FBS)
- 14 schools came to practice or workout to watch our players in action
- 31 schools were at the Spring Fling (17– D1 Schools)
- 6 players have been offered scholarships so far
- With 8 months left until signing day, there's still LOTS of OPPORTUNITIES for a variety of offers

Their total for this year currently is 1,346.25 hours with 3 more events on the calendar for June. This year's total beats last year's total and puts this group of young men in third place for the most hours in one season.
